

LUGGAGE: Luggage must be limited to one 30" "traditional" suitcase (NOT A DUFFEL BAG) to go underneath the bus and one backpack which will be provided by Winston-Salem Grand Western Tours. Other carry-on articles for inside the bus are pillow, a light blanket, and a light jacket. Everything else should be packed. NOTE: Weight of luggage is an important consideration. Each person is responsible for carrying his or her own luggage!! Do not bring luggage carrier or cart as there is no space for such equipment on the bus. Folding garment bags are not acceptable.

BAGGAGE INSURANCE: Baggage is "at owner's risk" throughout the tour. We are not responsible for the loss, theft or damage of a tour member's baggage or personal effects. For complete protection, we strongly recommend that you purchase baggage insurance as well as accident and health insurance.
